

OT[™] – Optical Terminal

020-519-10

Product Description

The OT[™] is an optical terminal designed to save time, money and space. Easy installation is as simple as open, secure fiber, plug in and close. With Multilink's standard Fiber Pigtail lengths, the OT[™] saves warehouse space and allows for a quick grab and go to maintain or repair for better customer service. This terminal is also engineered to GR-771 and comes with an IP68 Rating.

Features & Benefits

Reduced lead times with standard pigtail lengths

Faster construction and joint trenching

Non-captive

Easy installation – Plug-n-Play

Field Serviceable

Convenient full replacement of either pigtails or OT[™] – reducing customer down time, labor costs and service time.
