

Closet Connector Housing (CCH) Panel, ST® compatible Adapters Simplex, 6 F, 62.5 μm multimode (OM1)

**Part Number:
CCH-CP06-15T**

The Corning closet connector housing panels (CCH-CP) ST® compatible adapters are available in a variety of fiber counts for use with LANscape® solutions hardware products. They are designed for use with factory-installed or field-installable connectors and provide interconnect or cross-connect capabilities for main cross-connects, intermediate cross-connects, telecommunication rooms, or work areas. The CCH-CP also provides an efficient way to securely mate two connectors.

These housing panels are available in multimode and single-mode models with industry-standard SC, LC, or ST® compatible adapter types.

Features and Benefits

Universal design approach

One-size-fits-all LANscape® Solutions housings

Broadest range of fiber count and adapter types

Solutions for all needs

Colored icon labeling

Easy connector identification
